## Humanities content*

Humanities content is the most important criterion by which applications will be judged. **Explain how your project is a humanities project.**

The humanities include, but are not limited to, the following disciplines:

- history
- philosophy
- linguistics
- literature
- archaeology
- jurisprudence
- art history/theory/criticism
- ethics
- comparative religions

- those aspects of the social sciences that have humanistic content and employ humanistic methods
- the study and application of the humanities to the human environment.

The humanities deal with what is fundamentally and essentially human, the attributes which distinguish human beings from all other natural beings: self-consciousness, language, reason, creativity, human values and aspirations, and the products of all of these.
